RE: Duke Energy Carolinas, LLC's Application for Approval of Transfer and Sale of Hydroelectric Generation Facilities, Acceptance for Filing of a Power Purchase Agreement and an Accounting Order to Establish a Regulatory Asset - Docket No. 2018-281-E

Dear Ms. Boyd:

On August 28, 2018, Duke Energy Carolinas, LLC (the "Company") filed its Application for Approval of Transfer and Sale of Hydroelectric Generation Facilities, Acceptance for Filing of a Power Purchase Agreement and an Accounting Order to Establish a Regulatory Asset ("Application"). On September 10, 2018, the Office of Regulatory Staff ("ORS") provided a letter to the Commission stating its position on the application. The Application is currently on the Commission's agenda for consideration during its meeting scheduled for Wednesday, September 19. This letter is to request this matter be carried over to allow the Company time to discuss certain accounting issues with the ORS. I have discussed this request with counsel for the ORS and he has no objection.

Thank you for your consideration of our request. Please contact me if there are any questions.

Yours truly,

Frank R. Ellerbe, III
